INTERVENOR Tennessee Regulatory Authority``
REQUEST NO 002

In its petition, Qwest requests that the "Commission waive the need for a hearing o the matter of Petition." Tenn. Code Ann. §65-4-201 requires a hearing on these matters. As this is a statutory requirement, the Tennessee Regulatory Authority does not have the jurisdiction to waive the hearing requirement. Please provide a statement of intention or willingness to participate in a hearing on the above petition.

RESPONSE:

In requesting a waiver of the hearing requirement on its petition, Qwest was not aware of the statutory constraint barring the TRA from granting such a waiver. Accordingly, Qwest withdraws its request to waive the hearing on its petition and expresses its willingness to participate in a hearing on its petition.
